

ITNOG update

Marco d'Itri

`<md@linux.it>`

`@rfc1036`

Salottino del MIX - May 30, 2017

Italian Network Operators Group

Is an informal group of italian Internet professionals, and academics working on related research.

- Mailing list with 317 subscribers, since 2007.
- Infrequent but interesting discussions, please contribute!
- <http://www.itnog.it/>

Bologna, November 4, 2016

- 1 day.
- 4 sponsors (Adva, Netflix, NTT, RIPE).
- 14 talks.
- About 140 attendees.

Bologna, fall 2017

- Larger room (200-250 people).
- The logistics and program committees are being formed.
- The call for papers is forthcoming.

The ITNOG association

The meeting sponsors strongly requested a single entity that would manage finances.

Founders, as proposed at ITNOG2

Samer Abdel-Hafez, Marco d'Itri, Paolo Lucente, Marco Marzetti.

Goal: to be formally established in June.
